

Runway 9L/27R Closure Information

As of 6/10/05 at 0900(L)

As work has progressed this week we are now at the point to begin grinding and repaving 9L/27R.

As a result 9L/27R will be **closed completely**, 24 hours a day from 4am Tuesday June 7th until Tuesday June 28.

Additionally, as we cross **Runway 17/35, this will also be closed**. This closure will take place from **6am Monday June 20 until 6am Wednesday June 22**.

What does this mean for you?

- 9L/27R unavailable June 7-28.
- 9L/27R **and** 17/35 closed June 21 - 23. Only 9R/27L available, therefore all runways closed at night during this period.
- Taxiways Alpha and Bravo will be available while 9L/27R is closed, however, when we close 17/35 June 21 - 23 Alpha and Bravo will also be closed.
- **Classic Hangars, Royal Jet and Sky Harbor** will be isolated from 9R/27L June 21 - 23. If you have to fly during 6am June 21 - 6am June 23 pre-position your aircraft on County Terminal ramp **for no charge**.
- Runway 9L/27R planned to be operational June 28.

Please distribute this information as widely as possible.

NOTAMs to follow.
